Originally from the land of the deserts, Dubai, Puranmal opens its first outlet in Mumbai at Juhu, replacing Rasraj. From sweets, chaats and mains, everything served here is pure vegetarian. The restaurant is spacious and is open throughout the day. If you're here, don't miss out on their sweets and mithais which are extremely popular and all worth the hype! For a perfect family dining experience, Puranmal is ideal. [Landmarks nearby: Next to Mithibai College, Juhu]
